ARSA Regional Waste Water Treatment Plant Receives Funding

By: Jay Yingling

This is the third in a series of articles by ARSA (Augusta Regional Sewer Authority), intended to inform the citizens of Bracken County of the status of the planned construction of a new Regional Waste Water Treatment Plant (WWTP).

We are pleased to announce that ARSA has obtained full approval for all funding required to implement this project. Project funding is as follows:

RD Loan: \$3.2 million
RD Grant: \$2.8 million
KIALoan: \$6,297,000 (\$1,300,000 of this will be forgiven)
HB 380 Grant: \$100,000
Total Estimated Project Costs: \$12,397,000

Augusta and Brooksville infrastructure remains a problem. Inflow and infiltration (I&I) of rainwater into the sewer system needs to be curtailed. Inflow is a clean water source (such as rainfall) entering the system through an illegal point connection. This inflow can come from guttering systems or sump pumps connected

to the main sewer lines. Infiltration is ground water seepage into the sewer system through joints or deficiencies in the sewer system pipes or manholes. During a rain event, Augusta experiences up to six times the normal flow and Brooksville up to five times the normal flow. Brooksville is currently smoke testing their sewer system to determine inflow problems in order to correct them. Although Augusta leadership has been briefed on the problem, nothing has been done to date. During the process to obtain funding, I&I became a major issue of concern. Without question, Kentucky Division of Water expects to see a reduction in the total I&I of both cities under this new regional system, and that the new plant will have significantly better monitoring systems. It was determined that the revenue from the current surcharge of \$12.79 per month will be partially allocated toward fixing the infiltration for both cities. Brooksville has taken the lead on infiltration infrastructure repair and believe they are

Allmark Sales to hold "Open House" on Monday, July 9th

Pictured left to right are David Fultz holding niece, Audrey Rath, and Robin Fultz, holding son, Johnathan, with nephew, Sam Rath, next to their new sign.

When David and Robin Fultz began with Allmark Sales Trophy and Awards "Your One Stop Shop" on July 7, 2007, they were located in Mount Olivet, KY. After a couple of years, they moved to 218 Frankfort Street, Brooksville in April 2009 where they shared the building with the Bracken County Conservation District Office. While there, they looked for a permanent location where they could expand not only their showroom, but the business itself. In March of 2018 they closed on property in Brooksville and began the arduous task of remodeling a house into a commercial business location in April. In June they moved to their new/permanent location at 101 West Miami Street in Brooksville.

Allmark Sales is a family business owned and operated by David and Robin Fultz. When asked about the new location, David commented, "I can't believe the difference moving 2 blocks has made on our business. The foot traffic alone is phenomenal!"

To show their appreciation to their customers, family, and friends who helped to make this dream a reality, they will be holding an "Open House" on Monday, July 9, 2018, from 11 a.m. to 2 p.m. They will serve lunch, have goody bags, and have a prize drawing.

Allmark Sales Trophy and Awards "Your One Stop Shop" specializes in trophies, plaques, awards, wearables, promotional items, custom printing and copying and is a Schaeffer Official Retailer. Visit their website at www.allmarksales.com. For questions call 606-735-2065 or email at allmark1@yahoo.com.

New resources available to support Kentucky Medicaid recipients who are transitioning to Kentucky HEALTH

Kentucky HEALTH, the Commonwealth's new program for certain able-bodied adults receiving Medicaid, begins on July 1, 2018, and several state agencies are working to make the transition as smooth as possible for those recipients.

"We have numerous print and digital resources now available that will help the people of the Commonwealth understand and take advantage of Kentucky's new Medicaid program," said Cabinet for Health and Family Services (CHFS) Secretary Adam Meier. "The Kentucky HEALTH website features a new eligibility tool that will help citizens determine which components of the program will apply to them. We also have pamphlets, guides and booklets available in state offices everywhere and available for download."

The Cabinet for Health and Family Services (CHFS) and the Education and Workforce Development Cabinet (EWDC) have collaborated with local Department for Community Based Services (DCBS) offices and Kentucky Career Centers (KCCs) to make sure that resources are in place and staff are prepared to support Medicaid beneficiaries through the transition to Kentucky HEALTH. Managed Care Organizations (MCOs) – Anthem, Aetna, Humana, Passport and Wellcare – are also helping to prepare their members for this transition and have multiple print and digital materials available for their members as well.

Kentucky Career Centers, libraries, and adult education centers will also have Kentucky HEALTH resources on hand and staff members available to help recipients understand the new PATH Community Engagement requirement, which means some recipients who are able

will need to complete 80 hours of employment, education or training, volunteering or caregiving per month.

"Kentucky Career Centers across the Commonwealth are excited to help customers find jobs, education and training opportunities in their area," said EWDC Cabinet Secretary Derrick K. Ramsey. "The state has more than 163,000 current job openings and that number keeps increasing. Our goal is to strengthen Kentucky's workforce by helping more Kentuckians gain the high-demand skills required to meet employers' needs."

As a first step, Kentuckians are encouraged to visit the Kentucky HEALTH website at KentuckyHEALTH.ky.gov to learn more about the program. This website, which will be updated regularly, includes information and materials for recipients, KCC and DCBS staff, MCOs, and business and community partners.

Some of the highlights include:

Kentucky HEALTH Eligibility Finder – This new Eligibility Finder tool can help people understand if they are eligible for Kentucky HEALTH. If they are, the tool will identify what eligibility group they fall into and what new requirements and benefits apply to them, based on their eligibility group. This tool is a great starting point for anyone who is wondering how they may be impacted by the transition to Kentucky HEALTH.

PATH Community Engagement Magazine – The PATH Magazine is an essential overview for citizens who may have a PATH Community Engagement requirement. PATH stands for "Partnering to Advance Training and Health." The Magazine explains who has a PATH requirement, how to meet the PATH requirement, and more.

Kentucky HEALTH Getting Started Guide – The Getting Started Guide contains detailed information about each component of the Kentucky HEALTH program, as well as sections for each eligibility group. Individuals can refer to the sections of the Guide that are relevant to them, based on their unique situation, and use it to help satisfy the Kentucky HEALTH program requirements.

"The Kentucky HEALTH team has worked diligently since the Medicaid 1115 waiver was granted federal approval to create a library of high-quality information aimed at helping people understand the recent changes to Medicaid," said CHFS Deputy Secretary Kristi Putnam. "We are excited to share this information and the wealth of resources offered, and as always, look forward to receiving feedback on this new content."

While Kentucky HEALTH launches statewide on July 1, 2018, the PATH Community Engagement component of Kentucky HEALTH will be implemented on a regional or county-by-county basis. The only county that will have a PATH Community Engagement requirement on July 1, 2018, is Campbell County in Northern Kentucky.

Details about future phases and the PATH Rollout schedule are available on the Kentucky HEALTH website Resources page.

Full-time employees, full-time students, or the primary caregivers of a dependent child are not required to complete the PATH requirement if they have reported their work or school status to a DCBS worker or updated their information at benefind.ky.gov. However, they are able to take advantage of the PATH assistance and resources to access additional job, training and volunteering opportunities and can earn valuable incentives when they do.

Medicaid recipients who have questions about Kentucky HEALTH are encouraged to go to KentuckyHEALTH.ky.gov or call 1-855-306-8959. The Kentucky HEALTH Facebook page and Twitter feed also contain important program updates, news articles, and other resources.

SERVICE

Richard Foster remarks, in the book Celebration of Discipline, "As the cross is the sign of submission, so the towel is the sign of service." He goes on to explain that when Jesus had gathered his disciples at the Last Supper, they were quarreling over who was the greatest, and by implication, who was the least among them. Jesus responded by getting down on his knees and with towel and wash basin washing their feet, afterwards directing the disciples "Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet." (John 13:14 NIV) Think of the many ways that we can serve our fellow human beings. Just being courteous, friendly and helpful in your everyday dealings with people is perhaps the easiest way to be of service. Showing hospitality to your guests is another way that is available to many of us. You don't need to live in a castle to open your home to others; an extra bed or even a couch may be sufficient for guests to sleep on. And when people come to visit, often they only want to spend time with you and they aren't expecting to be treated like royalty. Another simple way to be of service to others is simply to listen to them. Consider how you might be of service to the people you live and work with, as well as those in your community. — Christopher Simon

"The greatest among you will be your servant. For those who exalt themselves will be humbled, and those who humble themselves will be exalted." —Matthew 23:11-12 NIV

A beautiful Sun., July 1st. All are welcome to Chatham Christian...a church for sinners. Great job on doing the sign each week!

Celebrating a birthday is Larry Highfield. Ruby is he really 29?? Celebrating their 11th anniversary is Dale & Shirley Young. 7/7/7...a day that Bro. Jackie will never forget!!

Ron Foley brought our SS lesson on "Unlocked". Colossians 1:13-23. The Lord unlocks us from our prison of sin.

Jane Nelson always blesses us each time she touches those ivory keys on the piano. She played "My Country Tis of Thee" and "You're A Grand Ole Flag With Yankee Doodle".

Remember in Prayer: Jamie Clos Black (surgery this week on knee), Sis Garrison (more test), Bobby Cox (start medication for leukemia that he will take once a month). Bonnie Reckers (in hospital for bowel obstruction), John Harmon Henderson (see specialist), Eleanor Young (recuperating from gallbladder surgery. Now if we can keep her away from the bees she is raising. She was attacked by them on Sat. evening & was swollen badly). Bro. Jackie (scope of stomach next week), Allison and Amanda Pollitt (scopes this week), Shirley Young (CT scan of liver next week), keep Jay Kalb, Kathy Fryman, Robin Carlisle, Margaret Dalip (fell at church but no injuries. She was thankful for the men that came to her rescue), Al Bauer, Ron Foley (test turned out well), Shirley Fleeman and her family, our country & leaders and all those on the prayer list.

Our choir sang "This Land Is Your Land" and "God Bless America" with Jane Nelson on piano. We all stood facing the American Flag with hand over heart, as we sang "The Star Spangled Banner". Beautiful!

Bro. Jackie's message was "Making America Great Again". 2nd Chronicles 7:14. We need to humble ourselves, pray, seek God's face, and turn from our wicked ways and GOD will heal our land.

Bruce Heller, Minister

We welcome all that joined us on this beautiful sunny first day of July.

This week we celebrate the 242nd birthday of our nation. Appreciation to all of our service men & women that made this happen for us.

Scott Phillips brought our Sunday School lesson on "Little Faith vs Big Faith". Trusting in God is everything, removes fear.

In honor of the birthday of our nation we started our service with the pledge of allegiance and God Bless America. Our opening prayer was by Jerry Zeigler and closing prayer by Dennis Schuster. Our special by Jerry Zeigler was "God Bless the USA", which brought us to a standing ovation.

Our service today by Brother Bruce was "Why Are You So Afraid?". We will have storms in life. As long as Jesus is in our boat He will see us thru.

The family outing at Brother Jacobs has been moved to July 28. Lots of food & games for the children. See Brother Jacob for more details.

Come join us on Sunday. Our Sunday School class begins at 9:30 a.m., adult church service begins 10:30 a.m. We also have children's church for children 2 yrs thru 5th grade.

Elizabeth, granddaughter of Bruce & Dorothy Heller, graduated from nursing school and will be working at The Cleveland Clinic.

Please remember in prayer Tom Hall, Jerry Author, Mike Claypool & Dennis Schuster, and all those on our prayer list, our nation and our service men & women.

VBS is over. What a wonderful time was had by all!

Appreciation on this July 4 holiday to the millions of men & women who gave their life so we can be free and to those serving our country now. To our most Holy Heavenly Father, who gave His only Son Jesus to die for us, so we can escape the fiery fires of Hell!

Come join us where Jesus is Lord!

WILLOW BAPTIST by Vanessa Ferrell

Happy Birthday, United States! Our congregation wore patriotic red, white, and blue to celebrate Independence Day. Brother Conrad Hefner, Mrs. Keeton's father and a retired pastor, stepped out of retirement to bring us a message for our Sunday service. He spoke from Revelation 22:6-21, "Be Ready To Move". In these verses Jesus said, "I come quickly," so we should expect His return at any time. To be prepared, we should make sure our family is committed to Christ, and share the Gospel with others. If your are searching for a family-centered church, we invite you to visit Willow Baptist Church. Sunday School for all ages is at 10 a.m., followed by morning service at 11:00.

We will celebrate the Willow Baptist's 200th anniversary on July 29. Guest speakers and special music are scheduled during worship services at 11:00 and 2:30. A luncheon is at 12:30. All are invited to attend.

OAKLAND CHRISTIAN by Barbara Browning

Worship is not about "getting" -- but about "giving"! Remember, "God accepts you the way you are, but He loves you too much for you to stay that way!"

VBS has ended, and oh what an experience -- we averaged 48 children with an average of 37 helpers. God is so good! We collected over \$450 for the future "Miracle Point Playground" at Falmouth.

We rejoice in the baptism of Brayden McClanahan. We pray God's guidance upon his life.

Church Board meeting is July 9 at Bro. Jim's home.

July 11 is the meeting of the Oakland Christian Workers at the home of Kelli Ramsey.

Our prayer concerns include Janice Bertram, Connie Jo Bowling, Agnes Moore, Lula Smith, Ann Bowling Wright, Lela Smallwood, Maude Teegarden, Al Bauer, Janice Hiles, Gabe Free, Ruby & Ginny Ellington, Kayla Hazelwood, Virginia Ann Bowles, Shirley Young, Ricky Fugate, Jackie McElfresh, Joyce Bishop, Carol Klaber, Evelyn King, Peggy Colemire, Terri Massey, Jim Haley, Lisa Switalski, shut-ins, cancer concerns, and our nation.

Willow Baptist Church

Looking Back 2001 - Present

As with many churches, moving into the 21st Century brought many changes for the Willow Baptist Church. Technology and social media were challenging as they were added into the worship services. The addition of some contemporary music, the internet, a church website, videos, and a projection screen created new interest and attracted a younger generation, including the millennials, while the more traditional worship elements continued as a part of the worship experience at Willow. Sunday School activities were revamped, children's church was created, and youth directors were hired to organize and lead.

Significant events of **2001-2018** included: Playground equipment donated by King Family from Jerry King memorials-with engraved granite rock; blacktopped church lot; members attended Billy Graham Crusades in Louisville and Cincinnati; donated \$1,000 to Jubilee Life-Tommy York project, \$1,000 to KY Disaster Relief Fund-Hurricane Katrina, \$500 to Campus Crusade for Christ and \$300 to Rachel's Challenge(anti-violence group) at Bracken County Middle School; further donations to Relay for Life in honor of Diane Burton, Bracken County Migrant program and the Maysville Dialysis Center; participated in work days at Oakwood and Indian Creek Baptist Churches; participated in World Missions Conference, hosting missionaries; established a community mission fund (\$500-\$1,000)with individuals receiving money for natural or economic losses/ other needs; church adopted a resolution, which was sent

to state officials, to oppose all gambling in KY; replaced two air conditioning units stolen from church property; four members worked at Clear Creek Baptist College doing carpentry repairs; and the church was the benefactor of a generous sum of money from the estate of Loraine McKinney Browning of Florida, sister of Franklin McKinney, with partial funds being used to update and remodel the parsonage and church kitchens.

Under the leadership of Allen Flaughter, the church began a major project which was cleaning the Old Willow Cemetery grounds, straightening monuments, and later adding two trees and two benches. A county and state grant aided the church in the erection of a monument denoting the name of the cemetery. The church has assumed the perpetual care of the cemetery, located on the corner of Highway 10 and 22.

The church hosted the annual meeting of Union Association in 2014, added steps and wrought iron railing-with labor donated by a member; extended the shelter and added new picnic tables; upgraded the bathrooms, kitchen, and hallway of the church; hosted a Town Hall meeting spon-

sored by the Bracken County Sheriff's Association; conducted Inasmuch, a community project for aiding families which included delivering groceries and firewood several times during the year; hosted an ice cream social and a soup and sandwich supper for the community; donated \$500 to the SALUTE program; purchased Bibles for the youth; participated in three Christmas Parades with a float; new youth and young married classes added with an active youth program, led by Jara King Bauer, current youth director; and formed a Vision/Growth Committee. Technology within the church was upgraded and is managed by Paul Figgins.

Membership has grown in the past three years, and the church has purchased an adjacent building which will be torn down in the future to allow for more parking space. Thus, the church is optimistic as its members are busily preparing for a 200th Anniversary Celebration on Sunday, July 29, 2018.

This is the third in a series of articles that will look back on the history of the Willow Baptist Church.

GREETINGS FROM ST. JAMES

by Caroline Jefferson

Friday, July 6 is the First Friday of the month and Mass will be celebrated at 8 AM at St. James as a reminder especially to those who observe the practice of First Friday devotions to the Sacred Heart of Jesus.

Once again we invite you to participate in the annual major fundraiser for St. James on the weekend of July 21 & 22. Festivities start at noon on Sunday with bidding on Silent Auction items continuing in the Parish Hall. All bidding will stop at 5:45 PM and the last few minute of bidding can be intense! The Country Store will once again be stocked with a myriad of items from useful to whimsical and we hope you will stop, browse and purchase those 'one-of-a-kind' items that you simply can't live without! Kiddie Land will be running from noon until 4 PM so bring the little ones for some fun, games and activities! It has been rumored that we will be hosting Bingo, so stay tuned for that! As we send grateful prayers to God for the privilege to be born and raised in a country free to worship Him, may He once again bless America!

PRESBYTERIAN POTPOURRI by Les Grooms, pastor Augusta Presbyterian

Our Sunday School continued with a study about humility. Earl Bush was the leader of this lesson.

Earl also was liturgist. Susie Hargett led the singing. Susie also sang during the serving of Holy Communion. Bob Gibson and David England served the elements that were prepared by Millie Bush. Shirley Gallenstein read an original patriotic poem. My sermon was about the healing of the man who laid by the pool of Bethesda for 38 years.

Marketplace took place this past week.

There were 197 children who gathered at Camp Ruggles for three days and about 100 adult volunteers showed up to help. This is the first time in 16 years that we were not present to help. I hope to be there next year.

Our soup supper has been canceled until the first Monday in August. This will give the workers a chance to rest.

Augusta Ministerial Food Bank is open each Tuesday afternoon at 1 p.m.

Church services begin each Sunday morning at 10:45. Come and join us.

Senior Citizens Happenings

Welcome to Senior Citizens Happenings where all seniors are welcome.

Tues., June 26 - Sheila gave updates on the sick: Sheila will be going to see gastroenterologist, Flossie Hay is having Hospice at her home and is assisted by her loving family, Mr. Glenn Littleton, Buff Saunders, Mary Alice Thornsbury had doctor appointment today, Shirley Young had scopes done and will have a CT Scan done in a few weeks.

Bill Liles led us in prayer. After lunch it's bingo and euchre!

Thurs., June 28 - We were glad to have Shannon Smith with us from the Home Extension Office. We were given potholders and info. on healthy nutrition. Fresh fruits add fresh flavors, bright colors, Vitamins C & A and lots of fiber & minerals. They are low in calories, fats, and sodium. Shannon had made a Flag Fruit Pizza that was not only pretty but delicious. She also provided the recipe. We missed Mary Lou Simons. She was at Ruggles Camp helping out.

Sheila gave updates on the sick: Delores Perkins may soon be coming home. She has been in a hospital since February. Flossie Hay is not responsive now. Sheila will be having a scope done in the near future.

June Lippert led us in prayer.

May we always be thankful for the freedoms we enjoy and never take them for granted. May we bless God and our Country.

Trash Talk

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

Howdy Folks! This is one of those articles that is written a week ahead of time because the crew at *The Bracken County News* Office deserve to celebrate July 4th along with the rest of the country! We salute this dedicated news staff for their courage to produce the weekly edition of news that focuses on the good in the community and tactfully shares the ‘not-so-good’ aspects of the human element! This newspaper is a welcome addition to many folks who grew up in Bracken County but left the confines of this rural setting to seek employment elsewhere. *The Bracken County News* is the sustenance that keeps them connected to their roots in Bracken County soil! And, of course, Bracken Countians enjoy The News because it contains local information about their schools, organizations, churches and businesses and families! So we send our sincerest appreciation to the staff of *The Bracken County News* and wish them a very enjoyable day off to celebrate in a country where even a small paper is important! Their role in keeping the community united in good times and bad can never be determined until it no longer exists so keep up the good work and Happy 4th of July!

Many folks will gather to celebrate Independence Day with family and friends but we encourage you to be safe while enjoying this very

loud holiday! According to information that we accessed, in 2016 in the U.S. there were 11,000 emergency room visits related to fireworks and four deaths! Children love to run with the sparklers but these fiery sticks can be, and usually are, as hot as a blow torch so extreme supervision is needed to protect the little ones as they happily run about creating their own spectacular pattern of childhood fireworks and memories! Once burnt out, the children should be instructed to deposit the spent sparkler into a specific container to prevent any burns or puncture wounds if stepped on!

Our children thoroughly enjoyed setting off fireworks, bottle rockets and the Fourth of July in general! Partly because at that point in the season, the tobacco setting was usually finished and the re-setting was completed on that day which meant camping out, picnics, playing in the creeks, fishing and watching the fireworks displays in the night skies! Our independence as a nation is something to be cherished and the reason for all these celebrations should be part of the tradition in all families! May God bless America and keep everyone safe as we celebrate our many freedoms, especially those to RECYCLE, REUSE and REDUCE to keep His earth clean, green and beautiful! Be seen’ you – *Bin & Bug*.

ARSA funding

Continued from Front Page making great progress in alleviating their issues. Augusta still needs to work on this issue.

Expected rates for customers are anticipated to be available by the end of July, 2018 and will be found on the ARSA web site (AugustaRegionalSewerAuthority.com). The cost of maintaining the old infrastructure of Augusta and Brooksville will come initially from the revenue of the \$12.79 surcharge—this will be to cover repair and improvements. Hopefully, improvements to the infrastructure now will help defer future maintenance costs as it continues to age. ARSA inherits all the outdated and aged infrastructure of both cities once the new WWTP comes on line.

Easements for pump stations and the force main sewer line continues and Executive Judge Earl Bush has been instrumental in this effort. All easement negotiations have been reason-

able and fair to date.

Bracken County citizens along the force main sewer line will be required to hook up to the sewer system, according to federal, state, and local regulations that mandate hookup when sanitary sewer is available. Details can be found in the Commonwealth of Kentucky Bracken County Fiscal Court Ordinance # 17-01, also available on the ARSA website. The owner of each dwelling, house, mobile home, trailer, trailer camp, apartment, motel, hotel, or other building or structure used for human occupancy, employment, recreation, or other purpose in Bracken County will connect to the sanitary sewer system if that structure is located within 300 linear feet of a service provider's sewer line. There are a few exemptions and property owners may request a connection time extension permit. To be eligible for such a permit, the owner must (1) provide documentation that their septic field was approved by the Bracken County Health Department, (2) provide documentation that the system was installed within the last ten years, and (3) provide a notarized statement from the Bracken County Health Department that the system is functioning properly. If granted, the permit shall be valid for 5 to 15 years from

issuance, depending on the age and reliability of their system. If a system is exempted, and hooked up at a later date, 100% of the connection and tap fees, including cost of the grinder pump, will be incurred by the property owner at the time of hookup. This cost to property owner will be an estimated \$6,000 to \$7,000. If the property owner signs the user agreement for the new system prior to the deadline set by ARSA (15 Aug 2018), in compliance with RD and KIA requirements, the cost of connection fee, grinder pump, and tap fee will be waived. The property owner will be responsible only for the cost of the connection from the grinder pump to the house (structure).

New customers from Bracken County will be receiving additional information in the near future via mail. For new customers with questions, there will also be a public meeting at the old Bracken County Courthouse, 2nd floor Court Room on Tuesday, July 24th, at 6:00 p.m.
